HOW

Can These Moundsville Democrats Not Go Back on
Own Resolutions?

In the second week of February of last year, the Democrats of Moundsville assembled to nominate a municipal ticket. And after doing that they passed these resolutions by a unanimous vote:

"We deplore the fact that Democratic senators in the legislature have surrendered every principle of Democracy to the Republican minority dominated by the 'special interests' for the sole purpose of electing two United States senators, who are not the choice of the West Virginia Democracy and whose only claim for public recognition is their alliance with the same 'special interests' and especially do we regret the attitude of our own Senator G. B. Stemmer, in such contexts."

"We do not look upon the selection of Clarence W. Watson and W. E. Chilton to the United States Senate as being legally or morally binding until charges of corruption in their selection shall have been completely investigated. We condemn the counting out of any man legally elected to public office, and the use of money for the purpose of corrupting the electorate, and at this time we desire to commend the Hon. Nelson C. Hubbard, the Hon. James W. Robinson, Senator G. W. Bland, Senator Jake Fisher and others for their timely efforts in thoroughly investigating the election of the present United States senators."

"We, as West Virginians, proud of our state, deeply feel the humiliation caused by Mr. Watson's departure from the Senate chamber on the eve of the vote on the ship subsidy bill, upon which the Democratic party has been united in opposition, and by whose action the bill passed the Senate."

Wonder how the Democrats of Moundsville are feeling on the issues involved in the present campaign, and we wonder if they are going to vote the ticket of the "special interests" nominated by Watson, Chilton and MacCorkle, and wearing the livery of the Democratic party?

Mr. and Mrs. Charles Barnett, of Parkersburg, are city visitors.

All You Need is a 25 Cent Bottle of "Danderine"—Hair Gets Lustrous, Fluffy and Abundant at Once.

Immediate?—Yes! Certainly!—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits, particularly those who have been careless whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use of Danderine, when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.—Advertisement.

Pains All Over!

"You are welcome," says Mrs. Nora Guffey, of Broken Arrow, Okla., "to use my letter in any way you want to, if it will induce some suffering woman to try Cardui. I had pains all over, and suffered with an abscess. Three physicians failed to relieve me. Since taking Cardui, I am in better health than ever before, and that means much to me, because I suffered many years with womanly troubles, of different kinds. What other treatments I tried, helped me for a few days only."

TAKE The CARDUI Woman's Tonic

Don't wait, until you are taken down sick, before taking care of yourself. The small aches and pains, and other symptoms of womanly weakness and disease, always mean worse to follow, unless given quick treatment.

You would always keep Cardui handy, if you knew what quick and permanent relief it gives, where weakness and disease of the womanly system makes life seem hard to bear. Cardui has helped over a million women. Try it.
